- Adaptable to various soil types
- Facultative
- Good Straw Strength
- Stems are soft and palatable to livestock

Primary Uses:

- Silage
- Pasture / Grazing
- Forage

This is for your information only. Please note ratings and descriptions of products are based on research and field observations from multiple locations and years. **Performance may vary** from location to location and from year to year, as local growing, soil and weather conditions may vary. Growers should evaluate data from multiple locations and years whenever possible and should consider the impacts of those conditions on the grower's field. Always read and follow IRM, where applicable, grain marketing, stewardship practices, and pesticide label directions.
